

# **IMISCOE Research Series**

This series is the official book series of IMISCOE, the largest network of excellence on migration and diversity in the world. It comprises publications which present empirical and theoretical research on different aspects of international migration. The authors are all specialists, and the publications a rich source of information for researchers and others involved in international migration studies. The series is published under the editorial supervision of the IMISCOE Editorial Committee which includes leading scholars from all over Europe. The series, which contains more than eighty titles already, is internationally peer reviewed which ensures that the book published in this series continue to present excellent academic standards and scholarly quality. Most of the books are available open access.

## Funding and Acknowledgements

This volume is one of the key actions of *EuroMedMig*, a platform of researchers working on Mediterranean Migration created in 2018 on the occasion of the IMISCOE General Conference at Barcelona. *EuroMedMig* has become an IMISCOE Regional Network. It is also an activity within a three-year (2019–2022) Erasmus+ Jean Monnet Network Program (Project Reference: 611260-EPP-1-2019-1-ES-EPPJMO-NETWORK) entitled “Mapping European Mediterranean Migration Studies” (Acronym: *EUMedMi*) and coordinated by GRITIM-UPF.

Aida Casanovas, from the *EuroMedMig* office, has been co-operating since the beginning. Without her professionalism, motivation and energy, the task of co-editing would certainly have been more difficult and more tedious. At the final stage, we are grateful for the work of Juan Pablo Santangelo in the delicate task of proofreading all the chapters and transforming all the different parts into one manuscript. He has guaranteed the quality of the editing.

# Contents

<b>1</b>	<b>Introduction: Mediterranean Migration Studies – A Research Agenda for the Coming Years . . . . .</b>	<b>1</b>
	Ricard Zapata-Barrero and Ibrahim Awad	
<b>Part I Geo-Political Mediterranean Relations</b>
